IT DOESN'T REALLY INTEREST ME, BUT...

B-B-BUT, IT PROBABLY DOESN'T FIT ME, SO

To people who upload Shi-Ki releases!

You are not to upload our releases to online readers or any other forum/sites untill 24 hours have gone by!

Failure to do so will "force" Shi-Ki to watermark their releases...in nice big letters that will annoy the readers!

This means that if Shi-Ki finds just one person doing it, everyone will get affected cuz...we do the scans so we'll give a fuck about others, just like the others give a fuck about us!

The stuff with tiny letters

Please give me an excuse to start watermarking the our stuff, making all of you cry blood from your eyes! Yes, I'm just looking forward for you people to fail, kekeke. Because T1 doesn t care, using any kind of excuse will not affect T1 s lot, even excuses like : "The place I downloaded from never said anything about this!" You shithead could just have downloaded from us!

This note is a result from all the shit online readers have been the reason to our problems so far and T1 not getting enough comments on releases while the other places are getting too many in T1 s eyes....no totally not envy!
